FOR BEST NEWCOMER TO COMPETITIONS		Zak Brydon		CAPTAINS CUP

This last competition year has seen the introduction of "F" Class full bore target shooting to this club as members requested. This shows the interest in competition shooting has grown and the standard has risen. We have introduced our own club competitions as well as the approved NRA Gallery competitions into the summer and winter indoor leagues, to respond to the wishes of our members. We now have a pretty full diary of competitions to suit all comers.

We have given out the trophies this year as requested to encourage more competition entries (hopefully they will get inscribed). The small cost for entries the indoor leagues is to cover the cost of proper target faces. I would like to thank Allan Ritchie for his help in scoring again this year and the obvious godfather of the competition organisation John Milner and his *compadre*, Bobby Robertson (the Sainsbury sniper).
